The Kirstie Alley-Perez Hilton war of Tweets rages on; Controversial blogger also battling with Demi Moore

As if **Kirstie Alley** wasn't mad at **Perez Hilton** enough already, the actress ratcheted up her Twitter war with the blogger today as their battle spread to include Perez's online battle with **Demi Moore**.

It's definitely a new thing to be able to track these things as they happen in real time – also as entertaining as hell!

Moore scolded Perez this morning for an item he posted about her 15 year old daughter **Tallulah Willis**, a photo with the caption: "[Tallulah] dressing like a slut! Look at her boobs! Demi, Ashton and Bruce are GREAT parents!"

Demi responded with this Tweet: "Clearly Perez Hilton isn't taking violating child pornography laws very seriously. He might not but there are alot of people who do!" She then added, "Anyone who advertises follows or supports Perez supports violating child pornography laws!"

Perez replied, "Expect another letter from my attorney, kitten. Xoxo," followed by "PS Bring it on, b**ch!" He then directed a Tweet at Demi's husband **Ashton Kutcher**: "Did your wife forget to take her menopause medication? You better keep her in check."

Moore's then wrote: "Let me ask all of you, what is it called when someone is telling people to look and focus on a child's 'boobs & a**' while providing photos?"

Kirstie Alley then weighed in with a vengeance:

Perez Hilton: You are a CHILD pornographer. I VOW TO TAKE YOU DOWN.legally..keep up your vile behavior and I will make your sorry ass sorrier

ANYONE who would follow Perez Hilton, after his pediphile comments of Rumor Willis, should be ashamed. You are following a pediphile..

HE DRAWS SPERM ON beautiful, talented, **Miley Cyrus's** face..what do you call a man who does this? HE IS A PEDIPHILE.a child pornography creep

YOU CAN MOLEST CHILDREN by touching them or by HUMILIATING THEM with VILE comments and gestures.Rumor Willis is a child..back off ASS WIPE

please help DEMI MOORE get this guy BRANDED what he REALLY is..he REALLY is a PEDOPHILE...I'M GONNA have his nasty little ass followed..

I beg ALL CELEBRITIES...all you singers, and performers who chat with this creep to dump him in the name of your children and ours...please!

I SWEAR, I will punch the bitch out myself..keep degrading children with your smut and I will make Will I Am look like an amatuer..

I DON'T CONDONE men who ridicule and sexually degrade minors..why would any of you people who follow him? HE IS TRASH..nothing funny, TRASH

I WILL GO TO THE MAT to make sure he is NEVER PART of any KID FRIENDLY network productions...SHAME ON YOU, you are what maggots feed on

IF YOU LOVE PEREZ..YOU really shouldn't follow me..I would rather have 10 child protectors than 2mill child porn advocates..shoo shoo shoo

PEREZ IS THREATENING DEFAMATION of CHARACTER..LOL..FIRST you would have to have some CHARACTER to defame...lol..bring it L.A. LAW...lol

LET'S git a little background help on MARIO ARMANDO LAVANDEIRA JR....LOL...the real truth the whole truth.YO MARIO.any secrets? not for long

Perez gave as good as he got.

Here are some of his Tweets directed at Kirstie:

@kirstiealley You're just making the fire bigger by pouring fuel on it, idiot! xoxo

@kirstiealley P.S. It's spelled pedophile, moron. I know the word because I am NOT that! My lawyers will be contacting you shortly, u twat.

@kirstiealley Calling me a pedophile and a rapist, now THAT is what is illegal. You were already warned.

@kirstiealley Tallulah is also a public figure, an actress who has appeared in numerous films.

@kirstiealley In addition to illegally and incorrectly stating AS FACT that I am a rapist and pedophile, now you are threatening violence.

@kirstiealley This whole Twitter rant you've gone on is gonna get you in a lot of trouble, sweetie! xoxo

@kirstiealley What is the name of your lawyer? We are trying to track down who your attorney is ASAP. Thank you.

@kirstiealley I am NOT a child porn advocate! This is another libelous, defamatory statement you are making against me!!!!

@kirstiealley And I LOVE press! So I win, you dumb bitch. Ha ha ha

@kirstiealley Playtime is over. Be a woman and own up to your actions! Who is your lawyer? My P.I. is already looking into it. Save me time!

@kirstiealley Behind closed doors, I'm sure your kids are fuckups too – judging by your behavior and former druggie past. xoxo

@kirstiealley Mario Armando Lavandeira, Jr. And my lawyer is Bryan Freedman of Freedman and Taitelman, LLP. Who is YOUR LAWYER, sweetie?

@kirstiealley Spill all my secrets! I love that you keep talking about me! But only reveal facts. Don't libel, defame and spread lies.

@kirstiealley Call me immature, unfunny, fat, ugly, stupid. BUT, I'm not a pedophile. I'm not a rapist. And I'm not a child porn activist!

@kirstiealley I think all your past drug use, which you've admitted to, has damaged your brain. You should get that checked out! xoxo
